

Shogi Pieces — Print Sheet 1

Full set: 40 pieces. Promoting pieces: glue FRONT + BACK (promoted), tips aligned, paper backs together.

Kings (Ou / Gyoku) and Golds: FRONT ONLY — never the same character on the reverse.

Promoted Lance: the back face uses the standard short form.

LOCKED TO BOARD: square 29.8×32.5 mm · King 25.1×28.3 mm · Pawn 18.6×20.8 mm.

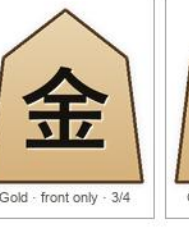

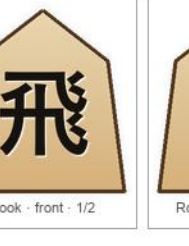

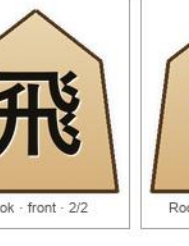

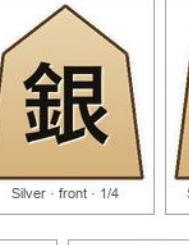

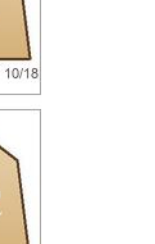

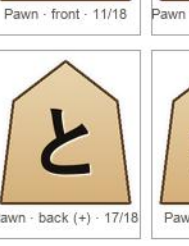

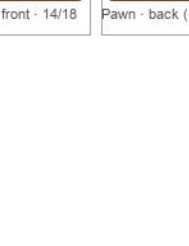

Sizes: King > Rook/Bishop (=Dragon/Horse) > Gold/Silver (=+S) > Knight/Lance (=+N/+L) > Pawn (=Token).

Print A3 at 100% / Actual size — same setting as the board PDF. Gothic kanji · English captions.

Glue pairs (counts):

Assembly / Glue Guide

1. Print board PDF + piece sheet(s) on A3 at 100% / Actual size (do not "fit to page").
2. Cut each face on its box.
3. Promoting pieces: print sides out; glue blank backs; tips aligned. Promoted face = same size as front.
4. Promote in play by flipping. Never flip Kings or Golds.
5. Tip faces the opponent. Gote rotates pieces 180°.
6. Setup from your seat: L N S G K G S N L · Bishop left · Rook right · 9 Pawns.
